IS IT WORTH WHILE?
It is worth while for Canada to save \$2,000,000 each year. The value of the infant lives lost each year in this country?

value on human life, because in this country, it means a cold and frosty living to do. We cannot meet the fact that anyone should be a mother of an orphan child as having a dollar value. There are such human beings as mother-love expended upon a child, which are beyond any measure of value.

If, however, we think of the question in an impractical way, we do

ful certain interesting facts. It requires money to feed, house, clothe and educate a child. If it were, an amount of money invested in every child. When the child is to be an adult and begins to earn money, he then becomes an asset, and to the extent that he earns more than is required for his maintenance, he is paying dividends upon the money invested in him.

An eminent American statistician, taking these points into consideration, has found that the value of a child at birth is over \$9,000. This sum invested would bring in the money required to rear the child and the net income of his earning years who die each year in Canada have an economic value of over \$22,000,000. This represents a drain upon national resources to an extent which justifies national consideration.

Public Health work is not a matter of sentiment; it is essentially one of expenditure of reasonable sums of money along certain established lines of proven value. Public Health work pays a dividend far beyond what is paid for other investments. At least one-half of the \$22,000,000, now lost each year can be saved through providing the necessary public health services. Is it worth while?

BELLS OF EMPIRE

EMPIRE DAY, May 24th
Bells of Empire, on this day sound aloud your daydream!
Tell your people, and tell true, that this is the land and our love, Tell the people of the earth, Of our joyousness and pride.
As you ring our Empire's story, Rich in fame and rich in glory! But above all in beautiful music, As you tell our glorious poem—Bells as beautiful in our hearing, Not for silver alone or gold, Tell the World we are in others Claim upon ourselves as brethren, That we hold not grained greatness In a spirit mass of stratum!
That our power, what's it for? We would for Right and Liberty! That wisdom our flag be, Justice, Freedom, it doth teach, These Bells of Empire, on this Day, Sound aloud your country!

Card of Thanks

We wish to thank Mr. and Mrs. N. E. Campbell, Mr. and Mrs. Wm. Barr, Mr. and Mrs. H. Bull, and Mr. and Mrs. A. S. Newcombe for their kindness during Jack's recent illness; also all kind friends for their kind messages.

Mrs. J. L. FAIRBANKS

Farewell to Mrs. C. Martin

We are all sorry to learn of the departure of Mrs. George Martin and children from Delia. She was highly esteemed by all who came in contact with her, and her going is a real loss to the community as her home was always open, and she was ready to help in all projects. The regard and esteem in which she was held was clearly shown by the many farewell gifts and tributes to her. The Girls' Club, of which she had been supervisor for several years, gave her a silver cracker and cheese service, at their Mothers' and Daughters' Banquet. The Sunday School, where she had been a primary teacher, gave her a beautiful silver cake basket.

The Women's Auxiliary of the Canadian Legion presented her with silver salad forks. The young people of the community held a treasure hunt, and presented her with a lovely picture. And then the whole community held a farewell in the Annex of the Church, and presented her with a silver cracker and cheese service and forks. Mrs. Helen and Mr. G. Green tendered the farewell address gifts. Mrs. C. and Mr. M. H. Hetherington, who were serving the lunch by Mrs. M. D. McCall, and Mrs. E. H. Hetherington.

Craigmyle News

In report of the longest given on Monday, 12th inst. by the local fire department is that of Gordon Lepp, the boys' Ward Board Director, who met that is setting out the speech that we counted the "Bells of Empire" and incidentally counted the speakers. For this we are grateful. The "Bells of Empire" was presented by Mrs. R. W. Griffith. The local group was presented by Mrs. R. W. Griffith. The local group was presented by Mrs. R. W. Griffith. The local group was presented by Mrs. R. W. Griffith.

Mrs. R. W. Griffith was to speak on Tuesday morning's train to attend the meeting of the Women's Auxiliary Society, being held there prior to the United Church Conference.

The local group is having a most enthusiastic showing this season, and there has been a lot of good played all night, far more than the whole of the last two seasons put together. The very promising new players have joined, and unless the moose take possession of the course there should be an excellent season.

Dominion Bureau of Statistics

Infant Births and Deaths for October, 1928 Announced

A preliminary report on births, deaths and marriages for the month of October, 1928, for the nine provinces of Canada has been issued by the Dominion Bureau of Statistics.

In comparing the figures for October, 1928, with those of the same month for previous years, it should be remembered that for previous years the reports were presented final figures, while those for 1928 are provisional. Attention is further directed to the fact that previous to 1928 the province of Quebec was not included in the registration area.

There were altogether 12,718 conceptions, single and twinning combined, resulting in 17,708 children born alive, and 1,014 stillborn. Twin births numbered 187; in 161 cases both infants were born alive while in 19 cases one was born alive and the other was born dead. There were 10 cases of triplets in which all the children were born alive.

Stillbirths reported in October were 640, or 3.6 per cent of the total births. The rate for 1928 was 3.5 per cent. The rate for 1927 was 3.4 per cent. The rate for 1926 was 3.3 per cent.
